MILITARY INSTALLATIONS, MISKOLC, HUNGARY

This report is a partial answer to DIA requirement DIAXX 63-84, to verify the location of selected military installations in Hungary and to perform a photo analysis to determine function, number and dimensions of buildings, to estimate troop capacity, to identify and describe related training areas and facilities, and to confirm or negate ammunition and POL storage.

[redacted] photography of [redacted] and [redacted] [redacted] photography of [redacted] were used to compile this report. The selected installations described below are shown in Figure 1.
